Rahman Mostafa Alam & Co Chartered Accountants Hoda Vasi Chowdhury & Co Chartered Accountants

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF MEGHNA PETROLEUM LIMITED

Opinion

Season of Financial Position as at 30 June 2021, the Statement of Profit or loss and Other Comprehensive Income, Statement of Equity and Statement of Cash Flows for the period from 01 July 2020 to 30 June 2021, and a summary of significant policies and other explanatory information.

median and to the best of our information and according to explanations given to us, the accompanying financial statements, and in accordance with International Financial Reporting Standards (IFRSs), give a true and fair view of the financial position of the grant as at 30 June 2021 and of its financial performance and cash flows for the period from 01 July 2020 to 30 June 2021 and with the Companies Act, 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations.

Busis of opinion

We conducted our audit in accordance with International Standard on Auditing (ISAs) as adopted by the Institute of Chartered Accountants of Bangladesh (ICAB). Our responsibilities under those standards are further described in "Auditors responsibilities for the financial statements" section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) that are relevant to our audit of the financial statements in Bangladesh and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained are sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matters

- While computing Gratuity liability, the requirement of IAS-19 about creating provision on the basis of Actuarial computation has not been followed. The company maintains a funded Gratuity scheme for its permanent employees in accordance with Gratuity rules and provision as on 30 June 2021 is Tk. 82,676,278.
- 2 As per IAS-36, Para-09 "An entity shall assess at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the entity shall estimate the recoverable amount of the asset". Here the company did not make any impairment test as per provision of IAS-36.
- FRC notification-146/FRC/SS/2020/251 requires conversion of share money deposit into equity within six months from the date of deposit but share money deposit of Tk. 116,061,862 appearing in note 14 has not been converted into equity.

However, our opinion is not modified in respect of the above matters.

Key Audit Matters

we will matters are those matters that, in the auditors' professional judgment, were of most significance in the audit of the financial seaments for the year ended 30 June 2021. These matters, and any comments we make on the results of our procedures thereon, were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our port, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. Based on the information read and reviewed, we have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

Financial Reporting Standards (IFRSs), the Companies Act, 1994, the Securities and Exchange Rules, 1987 and other laws and regulations and for such internal control as management determines is necessary to enable the preparation of such internal misstatement, whether due to fraud or error.

the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, as applicable, matters related to going concern and using the going concern basis of accounting unless management either as a liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The darged with governance are responsible for oversceing the Company's financial reporting process.

*** responsibilities for the audit of the financial statements

desectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misses on the property of the statement whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high land of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement decision. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could make the expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- (c) evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and segmificant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on independence, and where applicable, related safeguards.

The financial statements of the current period and are therefore the key audit matters. We describe these matters in our countries law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we make that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be a consequence of the public interest benefits of such communication.

second on other legal and regulatory requirements

insec with the Companies Act 1994 and the Securities and Exchange Rules, 1987, we also report the following:

- we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- a our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our commission of these books and;
- the statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns;

2.11 Application of new Standards (IFRS 16 "Leases") yet to adopt

The Institute of Chartered Accountants of Bangladesh (ICAB) has adopted following new standard and amendment to standard -

IFRS - 16 Leases

IFRS 16 "Leases" eliminates the earlier operating/finance lease dual accounting model for leases. Instead, there is a single, financial position accounting model, similar to current finance lease accounting. Issued in January 2016, the new IFRS is replaced the existing guidance in IAS 17 Leases. IFRS 16 "Leases" is effective for annual reporting periods beginning on or after 1 January 2019.

The Company is assessing the potential impact of application and adoption of IFRS 16 "Leases" on its financial statements. Management has opted to adopt this new IFRS from next financial year.

2.12 Use of estimates and judgments

The preparation of the Financial Statements is in conformity with IAS and IFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

| Note 4 | Property, Plant and Equipment |
|---------|--|
| Note 9 | : Inventories |
| Note 10 | : Trade and Other Receivables |
| Note 16 | : Defined Benefit Obligations - Gratuity |
| Note 17 | : Deferred Tax Liabilities |
| Note 23 | Income Tax Davible |

2.13 Classification of current and non-current

The Company presents assets and liabilities in the statement of financial position based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period

Or.

Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period

Or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.14 Comparative Information and reclassification

Comparative information has been disclosed for all numerical information in the financial statements and also the narrative and descriptive information when it is relevant for understanding of the current period financial statements. 3.18

Unless otherwise stated, the accounting policies and methods of computation used in preparation of Financial Statements for the year ended 30 June 2021 are consistent with those policies and methods adopted in preparing the Financial Statements for the year ended 30 June 2020.

3.02 Property, plant and equipment

General

3.02.01 Recognition and measurement

Property, plant and equipment are stated at cost less accumulated depreciation except freehold land which are stated at cost

Cost includes expenditures that are directly attributable to the acquisition of the assets. The cost of self-constructed installed assets includes the cost of materials and direct labour and any other costs directly attributable to bringing the assets to the working condition for its intended use and the cost of dismantling and removing the items and restoring the site on which they are located.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

3.02.02 Subsequent costs

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future benefit embodied within the part will flow to the company and its cost can be measured reliably. The costs of the day to day servicing of property, plant and equipment are recognized in profit or loss as incurred.

3.02.03 Depreciation

No depreciation is charged on freehold land considering the unlimited life. Leasehold land is amortized according to the amortization schedule. In respect of all other property, plant and equipment, depreciation is recognized in statement of profit or loss and other comprehensive income on straight-line method over the estimated useful lives of property, plant and equipment.

Depreciation of an asset begins when it is available for use, i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation of an asset ceases at earlier of the date that the asset is classified as held for sale in accordance with IFRS. 5 and the date that the asset is derecognized. The depreciation method used reflects the pattern in which the asset's economic benefits are consumed by the entity. After considering the useful life of assets as per IAS-16 "Property, plant and equipment", the annual depreciation have been applied equal to allocation of total cost over useful life of assets which is considered reasonable by the management.

The principal annual rates are as follows:

| Category of Assets | Rates of depreciation (%) |
|--|---------------------------|
| Buildings | 6.6 |
| Plant & Muchinery | 6.6 |
| Vehicle | 6.6-20 |
| Computer & Accessories | 20 |
| Forniture and Fixture | 6.6 |
| Filling and Service Station Facilities | 6,6 |
| Oil Tanker & Floating Equipment | 6.6 |
| Storage Tanks | 6.6 |
| Equipment and Fittings | 6.6 |
| Sundry Plants | 6,6 |

Depreciation methods and useful lives are reassessed at the reporting date and adjusted if wherever required.

Upon retirement of assets, the cost and related accumulated depreciation are eliminated from the accounts and resulting gain or loss is charged or credited to statement of profit or loss and other comprehensive income.

3.03 Capital work-in-progress

Property, plant and equipment under construction/acquisition is accounted for as capital work-in-progress until construction acquisition is completed and measured at cost.

3.04 Leases

At inception of an arrangement, the company determines whether the arrangement is or contains a lease. At inception or on cassessment of an arrangement that contains a lease, the entity separates payments and other consideration required by the arrangement into those for the lease and those for other elements on the basis of their relative fair values.

3.04.01 IFRS 16 "Leases"

IFRS 16 "Leases" introduces a single, on-balance sheet lease accounting model for lessees. A lease recognizes a right-to-use assets representing its right-to-use to the underlining assets and lease hability representing its obligation to made lease payments. There are recognition exemptions for short term assets and lease of low value items. IFRS 16 "Leases" replaces existing leases guidance including IAS-17 Leases, IFRIC-16 Determining whether an arrangement contains as lease, SIC-15 Operating Lease Incentives and SIC-27 Evaluating the Substance of transactions involving the legal forms of lease. The standard is effective from on or after 01st January 2019. Although early adoption is permitted, the company has not early adopted IFRS 16 "Leases" in preparing the financial statement.

As a lessee the company is now initially applied IFRS 16 "Leases" from 1st July 2020, to all contract inception whether an agreement is or contains a leases, using the modified retrospective approach and the comparative information throughout this Financial Statements has not been restated to reflect the requirements of the new standard. Therefore, the cumulative effect of adopting IFRS-16 will be recognized as an adjustment to the opening balance of retained earnings at 01st July 2020, with no restatement of comparative information.

The details of the changes in accounting policies are described below:

A) Definition of a Lease

Previously the company did not determine a contract inception whether an agreement is or contains a leases. Now under IFRS 16 "Leases" company assesses whether a contract is or contains a lease based on the definition of a lease, as explained in the note 4.03.

On transaction of the IFRS-16 the company evaluated all types of the contract to assess whether a contract is or contains a lease at the date of initial application.

i) As a Lessee

As a lessee company previously classified leases as operating or financial lease based on the assessment of whether the lease transferred significantly all of the risk and reward incidental to ownership of the underlying asset to the company. Under IFRS-16 company recognizes right-to-use of the assets and the lease liability for all leases.

a) leases previously classified as operating lease under IAS-17

At transition, lease liabilities were measured at the present value of the remaining lease payments, discounted at companies incremental borrowing rate as at 30 June 2020. Right-to-use assets are measured at an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments. The company used the following particular expedients when applying IFRS 16 "Leases" to leases previously could be classified as operating leases under IAS-17.

-Applied single discount rate to leases with similar characteristics.

-Applied the exemption for short term assets and lease of low value items.

b) leases previously classified as financial lease under IAS-17

For leases that were classified as finance leases under IAS 17, the carrying amount of the right-of-use asset and the lease liability at 30 June 2020 are determined at the carrying amount of the lease asset and lease liability under IAS 17. The company has no finance lease

ii) As a lessor

There is neither an agreement nor a contract that contains a lease as a lessor and is not required to make any adjustments on transitions to IFRS 16 "Leases" for leases in which it acts as a lessor.

B) Right-of-use of assets

44.05 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to manage liquidity (cash and cash equivalents) is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Typically, the Company ensures that it has sufficient cash and cash equivalents to meet expected operational expenses, including financial obligations through preparation of the cash flow forecast, prepared based on time line of payment of the financial obligation and accordingly arrange for sufficient liquidity/fund to make the expected payment within due date.

The following are the contractual or legal maturities of financial liabilities:

| | Taka | Taka |
|-------------------------------------|----------------|----------------|
| Creditors and Accruals | 50,020,035,617 | 38,525,158,759 |
| Provision for WPPF and Welfare Fund | 191,786,840 | 216,141,375 |

| | 50,295,719,883 | 38,854,625,684 |

44.06 Market risk

Market risk is the risk that any change in market prices, such as foreign exchange rates and interest rates will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters.

44.07 Currency risk

The company is exposed to currency risk on certain revenues and purchases of raw materials and equipment. Company's foreign currency transactions are denominated in USD and relate to import of capital machinery and raw materials.

44.08 Exposure to currency risk

There was no exposure to foreign currency risk on the reporting date.

44.09 Interest rate risk

Interest rate risk is the risk that arises due to changes in interest rates on borrowings. However the company do not have any outstanding bank borrowings on the reporting date except a long term borrowings from Government which interest rate is fixed and interest rate risk is insignificant.

45.00 Effect of COVID-19 on the financial statements:

The assessment of COVID-19 impact has been done based on the following issues:

- A. Assessment of going concern assumption
- B. Valuation of inventories

A. Assessment of going concern assumption:

The Management of Meghna Petroleum Limited has reviewed all relevant indicators to assess the company's ability to continue as a going concern under COVID-19 situation and has found that at present it assumes no going concern problem.

B. Valuation of inventories:

As per IAS-2 inventories should be measured at lower of cost and net realizable value. As the selling price of finished goods and raw materials were not reduced after balance sheet date, no written down of value is required.

Assessment:

During the year due to outbreak of COVID-19, the sales of POL & Lube products of 1st quarter droped drastically as a result commission income also droped. It has adversely affected the profitability during the year 2020-2021 and as a result, the profit for the year 2020-21 is lower than the prior year (2019-20). But it is observed that after the balance sheet date, despite of the existence of COVID-19, the revenue is increasing and showing a trend like before COVID-19 situation.

46.00 Significant Deviation in Earning per Share (EPS):

Due to outbreak of COVID-19 operation become slow down and decrease in deposit interest rate the company's revenue has fallen down in comparison with previous year and as a consequence Earning Per Share (EPS) decreased comparing with the previous year.

46.01 Significant Deviation in Net Operating Cash Flow Per Share (NOCFPS):

During the year net operating cash flow per share increased significantly due to payment made to supplier employees and others were reduced by Tk.16,853,113,001 in company with previous year.
